Alephshib Paper

Hello!

ALEPHSHIB

Alephshib

Mission Statement

The Aleph shib project aims to introduce individuals to the Aleph Zero ecosystem through its fun and friendly mascot, Alephshib!

The project is community-owned and managed, with strict limits on individual holdings to promote decentralization and widespread adoption.

By leveraging the power of memes and community-driven content creation, Alephshib aims to increase awareness and understanding of the Aleph Zero universe, serving as a guide and companion to all along the way !

Vision & Values - Why you should join

Open Community

Alephshib was designed to support a large number of smaller token holders, who will all participate in and benefit from the growth and development of Alephshib Community.

Dedication

Like the legendary Shiba Inu, Alephshib is here to be a guide and companion for every single community member as they explore the Aleph zero universe.

Alephshib is loyal to Aleph zero community, and will introduce new participants to the blockchain's innovations with a warm smile and a helping hand!

Longevity

Aleph Shib is a long term dedicated project to the community.

We seek to achieve long term objectives and collaboration within Aleph Zero Ecosystem

FUN

Blockchain and cryptocurrency technology can be daunting and scary, but it doesn't have to be!

Alephshib help everyone understand that crypto can be a space for creativity, collaboration, and connection. Alephshib is a place where people's talents and skills can shine, and where everyone has something to enjoy!

Ignition - the burning

Alephshib was created to be completely deflationary.

No new Alephshib will ever be printed.

In keeping with this spirit, of the 6% token tax, 1% will be burnt

This steadily decreases the token supply overtime, making every Alephshib have a little more valuable.

Staking Rewards

Alephshib won't just sit around being a meme.

Holders that stake or provide liquidity with their Alephshib tokens will share a pool of rewards ensuring that supporting Alephshib project is always rewarding !

Enter the Alephshib Metaverse

The utility of the Alephshib token won't stop there!

2% of the transaction tax is used for marketing and community rewards.

Beyond the basics, the Alephshib project is using innovative ways to expand while reaching new users, investors and traders.
